BRYAN AND INGALLS MEET.

Mr. William J. Bryan, of Lincoln, Neb., arrived in Cincinnati yesterday morning. Mr. Bryan went to deliver a lecture at the Vine Street Congregational Church last night on "A Conquering Nation." Mr. Bryan was met at the depot by a reception committee from the church, and escorted to the Grand Hotel. Mr. Ingalls, late candidate on the fusion ticket, called at the Grand Hotel for Mr. Bryan, and escorted him to the Queen City Club. He was there given a luncheon by Mr. Ingalls. The others present were: Ex-Judge Judson Harmon, who was Attorney General of the United States under Grover Cleveland; Attorney Harlan Cleveland, ex-United States district attorney and relative of Grover Cleveland; Rev. H. S. Bigelow, candidate last fall for secretary of state of the democratic ticket; Daniel Kiefer, Tom Johnson's leader in Cincinnati, and Judge James P. Tarrin, of Covington.

The fact that Mr. Ingalls, who was one of the foremost men in the national democratic party in 1896, which bolted the regular ticket because Bryan was nominated on a free silver platform, now seeks him out, may be regarded by some as one of national importance.

"I accepted an invitation by wire to dine with Mr. Ingalls," said Col. Bryan. "Mr. Ingalls and I have known each other for some years."

It may also be considered as significant that John W. Tomlinson, of Birmingham, Ala., who was defeated as a candidate on the democratic ticket in 1900 for governor of Alabama, and who did much stumping in the South for Bryan in both of his campaigns, was in Cincinnati yesterday.

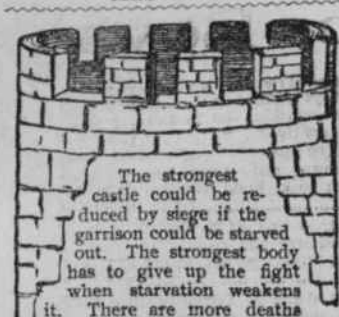

Mr. Tomlinson acknowledged that he knew of Mr. Bryan's intended visit and timed his accordingly, but declared that legal business was his prime reason for coming.

COWHIDE OPERATOR.

The lady with a rawhide in the Western Union operating room in New York Thursday not only injured the young man she belabored, but created so much excitement that business all over the country felt its influence. If the mother was charming, the daughter was charming and beautiful besides. "I'd like to see Mr. Morris," said the elder woman. The daughter nodded. To the door came presently a dapper young man, with a long gray office duster waving above his new spring suit. "Ah!" cried the lady. "So you thought you'd desert my daughter, eh?" "This isn't any place for a daughter, though," said the young man. "The dapper youth began, 'Isn't it?' shouted the lady. 'How do you like this?' With these words she drew from under her wrap a long rawhide and, swiftly slashed the head, face, neck, shoulders and back of the dapper youth. The young man threw up his arms and howled. 'I'll have you arrested,' he yelled. 'Oh, I'll go,' the rawhide lady said. 'I did what I said I'd do to a coward.' Mother and daughter departed, looking pleased. Mr. Morris was questioned by his friends. His only reply was: "What does Shakespeare say? 'The course of true love never did run smooth.' Well, that's it."

CONSUMPTION CURED.
"My physician told me one year ago that I would die of consumption. Inside of a year, I contracted One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty lively 'dead weight.' One Minute Cough Cure saved me." MARY F. SULLIVAN, Grand Rapids, Mich.
Pleasant to the taste. Good for Children. Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia, and all Throat and Lung troubles no remedy is so good as

MEDICINAL

The strongest castle could be reduced by siege if the garrison could be starved out. The strongest body has to give up the fight when starvation weakens it. There are more deaths from starvation than from disease. When the stomach is diseased and the food eaten is not digested and assimilated, then the strength of the body begins to fail because of lack of nutrition, and the weak body falls an easy victim to the microbes of disease.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores physical strength in the only possible way, by enabling the assimilation of the nutrition contained in food.

"I was sick for over three years with a complication of stomach troubles," writes Mr. John H. Cantona, residing at 224 Arch St., Chicago, Ill. "I had tried every good medicine I knew of, as well as many patent medicines, but received only temporary relief. One day a friend recommended your 'Golden Medical Discovery.' I immediately procured some and began its use. Commenced to gain the first week and after I had taken only one bottle I could eat as well as any one without experiencing ill effects. I took five bottles, today am happy to announce that I am as well and healthy as any one could be. I owe it all to Dr. Pierce's Golden Medical Discovery."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains. You lose. Therefore accept no substitute for "Golden Medical Discovery."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send twenty-one one-cent stamps for the book in paper cover, or thirty-one stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Nasal CATARRH
In all its stages.
Ely's Cream Balm
cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug-gets or by mail; Trial Size, 10 cents.

ELY BROTHERS, 56 Warren Street, New York

WEAK LUNGS
Weak lungs are mostly due to a neglected cough. Only a small per cent. of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold out a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:
(1) Relieves the cough.
(2) Makes the breathing easy.
(3) Cuts out the phlegm.
(4) Draws out the inflammation.
(5) Kills the germs (microbes) of disease.
(6) Strengthens the mucous membrane.
(7) Clears the head.
(8) Relieves the feverish conditions.
(9) Removes every cause of the cough and the strain on the lungs.
(10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Croup and all Cough, Lung and Bronchial Affections.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

THOUSAND cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

"Wine of Cardui is certainly 'worth out' women's best friend and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

BRIGHT'S DISEASE CURABLE.—Persons troubled with Bright's disease are interested in the experience of Dr. G. M. Edebohis, of New York, in the cure of chronic Bright's disease by a surgical operation. The operation, which consists in the removal of one or both of the kidneys, was first performed by Dr. Edebohis "with the deliberate purpose of bringing about a cure of the disease when it had become chronic," in January, 1898. The patient, a girl of 20, is now alive and well. A table given in the Medical Record of March 28 of nine chronic cases cured by operation. These nine remain cured at periods of time varying from one year and nine months to over ten years after operation. Some of the cases were far advanced. Of 11 cases operated on in 1902 but 1 died and the rest are so far doing well. It is deduced that chronic Bright's disease in its earlier stages is curable by "renal decapsulation," and the operation in competent hands involves "little or no risk of life."

How to Ward Off an Attack of Rheumatism.
"For years when spring time came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, West Virginia. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." For sale by Richard Gibson.

Good for Children.
The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and La Grippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. E. S. Lowthear & Sons.
